PROFIT WARNING

This announcement is made by CTEH INC. (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Future Ordinance (Cap. 571, Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on a preliminary assessment of the latest available unaudited consolidated management accounts of the Group for the year ended December 31, 2019 (the “**Year**”), it is expected that the Group’s net profit for the Year will decrease by over 50% as compared with the adjusted profit (excluding the non-recurring listing expense and respective deferred income tax impact) for the year ended December 31, 2018.

Based on the information currently available, the expected decrease was mainly attributable to, among other things, decrease in the transaction volume of air tickets sales and gross sales proceeds generated from air tickets sales as a result of declining international travel between North America and Asia due to the trade war between the United States and the People’s Republic of China.

The Company is still in the process of finalizing the final results of the Group for the Year. The information contained in this announcement is only a preliminary assessment by the management of the Company based on information currently available to the Company and has not been reviewed or audited by the Company's external auditors nor approved by the audit committee of the Company. The actual results of the Group for the Year may be different from the information disclosed herein. Shareholders and potential investors should read carefully the final results announcement of the Company for the Year, which is expected to be published in late March 2020.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.

By order of the Board
